

Prayer to St. Joseph

O gentle, loving God, you chose Saint Joseph as the Master of Your Household, to watch over the Divine Child and Our Blessed Lady, knowing that his care would be loving and sure, constant and wise. We seek his care and his protection, and entrust our spiritual and temporal needs to his fatherly intercession.

Saint Joseph, strengthen our faith, renew our hope and keep us steadfast in God's love. Surround us with His unseen light, and we will walk in your footsteps with trusting hearts that are ready to accept God's Will and carry it out with courage and trusting confidence.

Keep us ever united in the love of Jesus Christ, ever fervent in imitation of Our Lady and always faithful in devotion to you. Amen.
